Innovative Excellence in Custom Formulating and Packaging Solutions

Polysciences, Inc., located in Warrington, PA operates an FDA-regulated / EPA-registered contract manufacturing facility specializing in high-purity custom formulations for our customers.

For over 30 years Polysciences has expertly manufactured and packaged gels, powders, high and low viscosity liquids, creams, sterile products, soaps and salts in volumes ranging from 1 gram to 2,800 gallons. Limitless flexibility in filling and packaging cosmetics and personal care products in our customer's choice of standard or custom, glass or plastic containers, tubes, bottles, canisters or flame-sealed ampoules.

Polysciences' state of the art laboratories and manufacturing facilities provide renowned custom synthesis and formulating expertise. We offer custom formulations to commercial-scale production of already established products. We have the skills, experience and capabilities to deliver an unsurpassed quality of service.

These are only a few of the thousands of formulations we have available. If you do not see a particular product you are interested in developing or manufacturing, please do not hesitate to contact us with your ideas, questions and project specifications.

Offering You the Best of Science + Nature.

Facial Skin Care

Polysciences' exclusive facial treatment products use new and effective ingredients in our evolving line of skin care products. Purchase our proprietary skin care treatment products and send us your packaging components and we will fill and label. We make the process simple and enjoyable. Full ingredient lists available upon request.

Moisturizers

Day Cream: Discover this unique blend of deep skin hydration, rich restorative minerals and sun screen protection all in one formula as an essential part of skin protection and defense.

Night Cream: A soothing skin treatment while you sleep. This equally rich moisturizing formula infused with soothing herbs and minerals is the perfect night cream remedy to restoring elasticity to your skin.

Tinted Face Lotion: Revive and moisturize with a hint of tint as our vitamin enriched Antioxidant moisturizing complex provides a soothing foundation.

Retinol Rejuvenation Cream: This super Antioxidant Retinol-based anti-aging complex provides a wrinkle reduction structure of peptide proteins and essential ingredients that provides skin with improved elasticity and form.

Treatments & Serums

Skin Caviar Serum: Gently massages your face with our revolutionary "Caviar Sphere" delivery system. This hydrating, moisture retaining complex combines "Matrixyl" with antioxidants in a beautiful skin firming solution that revitalizes and restores elasticity.

Anti-aging Face Serum: This luxurious hydrating greaseless emollient formula is formulated to soothe and protect with SPF 15 sun protection.

Soothing Antioxidant Face Serum: Soothing mild anhydrous face treatment serum combines a unique restorative blend of antioxidants and rich avocado oil with our special "skin therapy" complex that helps overcome dry and irritated skin.

Anti Aging Day Cream: Developed to protect skin from UVA, UVB and harsh environmental conditions. This vitamin C & E enriched moisturizer hydrates skin, while our naturally derived ingredients provide a unique nutritional complex of proteins, minerals and vegetable oils to improve elasticity and reverse visible signs of aging.

Manual Microderm Abrasion Exfoliating Cream: Our manual microderm abrasion cream peel gently removes dead skin cells while bringing stimulating dermal regeneration, through our vitamin enriched blend of gentle exfoliating crystals, emollients and nutrients. Regenerate and renew skin to provide a fresh, brighter and healthier glow.

Eye Treatments

Peptide Eye Recovery Cream: Our unique blend of peptide complexes Haloxyl, Eyeliss, Dermaxyl, Lumiskin are combined in our rich soothing cream to help lighten the appearance of dark and puffy circles and minimize crow's feet by restoring elasticity and adding tone to the skin.

Quick Lift Serum: Experience instantaneous results with remarkable temporary tightening and firming serum. Erase lines, diminish the wrinkles and reveal smoother younger looking skin.

Soothing Eye Gel Serum: Vitamin and Antioxidant enriched soothing eye gel. Designed as a daily treatment to supplement the skin's natural restorative process around the eyes.

Lip Treatments

Lip-Care Vitamin E Treatment Stick: This wonderful Antioxidant formula heals and protects your lips with our nourishing lip treatment. Specially formulated to penetrate deep into the lips. Provides a protective undercoating for frequent lipstick users or for those who want soothing relief with a natural shine.

Lip-Care Tint Conditioner: Soothing, healing Antioxidant lip treatment with a hint of tint for a fun casual flash of color that brings a healthy shine to your smile.

BODY CARE

Explore our extensive list of total body care treatments including lotions, cleansers, splashes and scrubs. Our luxurious products are designed to nourish, hydrate and soothe using the finest ingredients available. Body care treatments are developed as finished products or as the launch of a custom proprietary formula. Please note our unique and exclusive Natural formulations. Full ingredient lists available upon request.

Lotions

Ultimate Body Lotion: 98% Natural. Paraben free formula enriched with sunflower seed oil and Antioxidant Vitamin E. Naturally heals and protects from head to toe.

Goat's Milk Body Lotion: Specially blended with natural moisturizing qualities of goat's milk including quick absorbing restorative proteins, vitamins and minerals.

Baby Lotion: This silky, smooth and light baby lotion is enriched with moisturizing goat's milk, Vitamin E and natural hazel seed oil to soothe and hydrate a baby's sensitive skin.

Body Butter

Whipped Shea Body Butter: 99% Natural. Smooth, light and creamy Antioxidant infused shea and cocoa butter blend raises the body butter bar to a new level of excellence.

Cleansers

Head to Toe Body Wash: This body wash contains three products in one: liquid gel soap, mild high lather shampoo and moisturizing face wash. Use this mood-enhancing product to cleanse and refresh your skin from head to toe in the shower or bath.

Nourishing Milk Body Wash: Suds up with this milk protein body wash that leaves your skin feeling fresh, clean and creamy smooth.

Soothing Botanicals Body Wash: Enjoy the soothing botanical extract blends of chamomile, burdock root, watercress and rosemary married with our enriched goat's milk.

Natural Foaming Hand Soap: 90% Natural. Foaming hand soap with natural bursts of creamy foam that envelop your hands, as you wash without the use of harsh drying chemicals.

Moisturizing Liquid Hand Soap: Liquid soap with natural botanical extracts and buffered with aloe and protective vitamins, works into a luxurious lather.

Natural Hand Wipes: 100% Natural. pH balanced hand wipe naturally formulated with pure essential oils, moisturizers and aloe beautifully balanced to cleanse and refresh... naturally.

Creams & Salves

Ultimate Nail & Cuticle Balm: 100% Natural. Experience our "ultimate" solution of hydrating moisturizers and Antioxidant Vitamin E that helps heal and restore elasticity to rough, dry cuticles.

Ultimate Hand Cream: 98% Natural. Paraben free formula infused with shea butter and sunflower seed oil enriched and infused with Antioxidant Vitamin E. Your hands will love you for it.

Moisturizing Hands & Heels Salve: Penetrates dry skin deeply to restore and protect elbows, heels and other rough spots. Enriched with goat's milk and mango butter, this formula is developed to soften even the toughest spots.

Tattoo Treatment Salve: Keep your tattoo looking soft and supple. Unique tattoo salve is designed for application to new tattoos to help soothe, heal and protect your artwork.

Exfoliants & Scrubs

Moisturizing Citrus Peel and Sea Salt Scrub: 100% Natural. Moisturizing scrub brings a beautifully textured blend of sea salt and the soft caress of orange peel powder to soothe and rejuvenate the skin.

Sugar & Oat Body Scrub: Feed and polish your skin with our delicious recipe for glowing skin. Nourishing oats and refined sugar find synergy in our beautifully rich body scrub.

Bath Salts

Bath Salt with Essential Oils: Soothe body and spirit with our mineral-rich bath salts. Infused with fragrant botanicals and pure essential oils for a truly transcendent experience.

Body Splash

Beautiful Body Splash Toner: Our herbal infused body splash with witch hazel is the perfect pick me up for an instant rejuvenating sensation to revitalize the skin and senses.
