

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Issue date: 09/13/2022

SECTION 1: Identification			
1.1. Identification			
Product form	: Mixture		
Product name	: CROSSLINKER D (USE CAT. #0	1319 LOWICRYL HM	120
Product code	: 15924B		
1.2. Recommended use and restrictions on	1 USE		
Recommended use	: Use as laboratory reagent, Manu	facture of substances	
1.3. Supplier			
Supplier Polysciences 400 Valley Road Warrington, PA 18976 - United States T +1 215 343 6484 - F +1 215 343 0214 info@polysciences.com - www.polysciences.com			
1.4. Emergency telephone number			
Emergency number	: 24-hour emergency phone numb	er ChemTel 1-800-25	5-3924
SECTION 2: Hazard(s) identification			
2.1. Classification of the substance or mixt	ure		
GHS US classification			
Not classified			
Not classified			
2.2. GHS Label elements, including precau	tionary statements		
GHS US labeling			
No labeling applicable			
2.3. Other hazards which do not result in c	lassification		
No additional information available			
2.4. Unknown acute toxicity (GHS US)			
Not applicable			
SECTION 3: Composition/Information	on ingredients		
3.1. Substances			
Not applicable			
3.2. Mixtures			
Name	Product identifier	%	GHS US classification
CROSSLINKER A (USE CAT. #01319) LOWICRYL K4	M (CAS-No.) 109-16-0	95 – 100	Skin Irrit. 2, H315
Hydroquinone	(CAS-No.) 123-31-9	0-5	Acute Tox. 4 (Oral), H302 Eye Dam. 1, H318 Skin Sens. 1, H317 Muta. 2, H341 Carc. 2, H351 Aquatic Acute 1, H400

Full text of hazard classes and H-statements : see section 16

SECTION 4: First-aid measures		
4.1. Description of first aid measures		
First-aid measures after inhalation	: Remove person to fresh air and keep comfortable for breathing.	
First-aid measures after skin contact	: Wash skin with plenty of water.	
First-aid measures after eye contact	: Rinse eyes with water as a precaution.	
First-aid measures after ingestion	: Call a poison center/doctor/physician if you feel unwell.	

Aquatic Chronic 1, H410

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

4.2. Most important symptoms and offacts (acute and delayed)         No additional information available         4.3. Immediate medical attention and special treatment, if necessary         Treat symptomatically.         SECTION 5: Fire/Fighting measures         Statable (and unsuitable) extinguishing media         Suitable extinguishing media       : Water spray. Dry powder. Foam. Carbon dioxide.         5.3. Special protective equipment and precautions for fire-fighters         Protection during firefighting       : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective equipment. Self-contained breathing apparatus.         SECTION 6: Accidential release measures       6.1.         6.1. Personal precautions, protective equipment and emergency procedures         6.1.1. For non-emergency respondes         Protective equipment       : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controbi/personal protection".         6.2. Environmental precautions       : Do not attempt to take action without suitable protective equipment.         Koid release to the environment.       : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controbi/personal protective equipment.         6.2. Environmental precautions       : Do not attempt to take action without suitable protective equipment.         6.3. Methods a		
Treat symptomatically.         Section 5: Fire-fighting measures         5.1.       Suitable extinguishing media         Suitable extinguishing media       : Water spray. Dry powder. Foam. Carbon dioxide.         5.2.       Specific hazards arising from the chemical         Hazardous decomposition products in case of       : Toxic fumes may be released.         Fire       Specific hazards arising from the chemical         Hazardous decomposition products in case of       : Toxic fumes may be released.         Fire       Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.         SECTION 6: Accidental release measures       6.1.         6.1.       For non-emergency protective equipment and emergency procedures         6.1.1.       For non-emergency protective equipment and emergency procedures         6.1.2.       For non-emergency procedures         For leavigroement       : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.2.       Environmental procautions         Axoid release to the environment.       Environmental or containment and cleaning up         Methods and material for containment and cleaning up       Methods for cleaning up         For further information       : Dispose of materials or soiid resid		(acute and delayed)
SECTION 5: Fire-fighting medasures         5.1.       Suitable (and unsuitable) extinguishing media         Suitable extinguishing media       : Water spray. Dry powder. Foam. Carbon dioxide.         5.2.       Specific heards a sining from the chemical         Hazardous decomposition products in case of : Toxic fumes may be released.         ife         5.3.       Special protective equipment and precautions for fire-fighters         Protection during frefighting       : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.         SECTION 6: Accidential release measures       6.1.         Finargency procedures       : Ventilate spillage area.         6.1.1.       For one-mergency procedures         6.1.2.       For one-mergency procedures         6.1.3.       For one-mergency responders         Protective equipment       : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.2.       Environmental procautions         Avoid releases to the environment.       Section 4: "Exposure controls/personal protective equipment. For further information refer to section 1: Dispose of materials or solid residues at an authorized site.         6.4.       Reference to other sections         For turber information refer to section 13.		al treatment, if necessary
5.1.       Suitable (and unsuitable) extinguishing media       : Water spray. Dry powder. Foam. Carbon dioxide.         5.2.       Specific hazards arising from the chemical         Hazardous decomposition products in case of interfighters         Protection during firefighting       : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective equipment. Self-contained breathing.         Sectrion 45: Accidental release action without suitable protective equipment. Self-contained breathing apparatus. Complete protective equipment. Self-contained breathing apparatus. Complete protective equipment. Self-contained breathing apparatus. Sector 8: "Sector		
Sutable extinguishing media       : Water spray. Dry powder. Foam. Carbon dioxide.         5.2.       Specific hazardos arising from the chemical         Hazardous decomposition products in case of       : Toxic furmes may be released.         ife       Specific hazardous decomposition products in case of       : Toxic furmes may be released.         ife       Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective equipment. Self-contained breathing apparatus.         Store of the control of protective equipment and energency procedures       61.1. For non-energency procedures         Store of company procedures       : Ventilate splilage area.         Store of energency responders       : Do not attempt to take action without suitable protective equipment. For further information refer to section 8. "Exposure controls/personal protection".         Store of elasing up       : Do not attempt to take action without suitable protective equipment. For further information refer to section 13.         Store of elasing up       : Take up liquid splil into absorbent material.         Other information refer to section 13.       : Sorten ensertions		
5.2.       Specific hazards arising from the chemical         Hazardous decomposition products in case of index fighters         Fortection during firefighting index and precautions for fire-fighters         Protection during firefighting index and precautions for fire-fighters         SECTION 6: Accidental release measures         6.1.       Personal precautions, protective equipment and emergency procedures         6.1.1.       For non-emergency personnel         Emergency procedures in the chemical procession of the section without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.2.       Environmental precautions         Avoid releases to the environment.       So not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.3.       Methods and material for containment and cleaning up         Methods for cleaning up information is Dispose of materials or solid residues at an authorized site.         6.4.       Reference to other sections         For further information refer to section 13.         SECTION 7: Handling and storage         7.1.       Proceutions for safe bandling         Proceutions for safe bandling         Proceutions for safe bandling         Proceutions for safe storage, including any incompatibilities         Storage conditions i		
Hazardous decomposition products in case of interactions for fire-fighters         Protection during firefighting       i. Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.         SECTION 6: Accidental release measures       6.1.         6.1. Personal procautions, protective equipment and emergency procedures       6.1.1.         6.1. For non-emergency personnel       Emergency procedures         Finergency procedures       i. Ventilate spillage area.         6.1. For emergency responders       Protective equipment         Protective equipment       i. Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.2. Environmental procautions       Voor release to the environment.         6.3. Methods and material for containment and cleaning up       i. Take up liquid spill into absorbent material.         Other information       i. Dispose of materials or soild residues at an authorized site.         6.4. Reference to other sections       I. Surge god ventilation of the work station. Wear personal protective equipment.         7.1. Procautions for safe handling       i. Ensure god ventilation of the work station. Wear personal protective equipment.         Protections for safe handling       i. Ensure god ventilation of the work station. Wear personal protective equipment.         7.1. Procautions for safe handling	Suitable extinguishing media	: Water spray. Dry powder. Foam. Carbon dioxide.
fre         5.3.       Special protective equipment and precautions of fire-fighters         Protection during firefighting       Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.         SECTION 6: Accidental release measures       6.1.         6.1.       Personal precautions, protective equipment and emergency procedures         6.1.1.       For emergency personnel         Emergency procedures       Ventilate spillage area.         6.1.2.       For emergency responders         Protective equipment       Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".         6.2.       Environmental precautions         Avoid release to the environment.       6.3.         6.3.       Methods and material for containment and cleaning up         Methods for cleaning up       1 Take up liquid spill into absorbent material.         Other information       Dispose of materials or solid residues at an authorized site.         6.4.       Reference to other sections         For further information refer to section 13.       SECTION 7: Handling and storage         7.1.       Precautions for safe handling       Ensure good ventilation of the work station. Wear personal protective equipment.         Hygiene measures       Storar	5.2. Specific hazards arising from the chen	nical
Protection during firefighting <ul> <li>Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. # Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

### Hand protection:

Protective gloves

#### Eye protection:

Safety glasses

#### Skin and body protection:

Wear suitable protective clothing

### **Respiratory protection:**

In case of insufficient ventilation, wear suitable respiratory equipment

## Personal protective equipment symbol(s):

### SECTION 9: Physical and chemical properties 9.1. Information on basic physical and chemical properties

: Liquid
: Colorless
: Mixture contains one or more component(s) which have the following odour:
: No data available
: No data available
: Not applicable
: No data available
: Not applicable.
: No data available

#### 9.2. Other information

No additional information available

# SECTION 10: Stability and reactivity

#### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

### 10.2. Chemical stability

Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

10.4. Conditions to avoid		
None under recommended storage and handling conditions (see section 7).		
10.5. Incompatible materials		
No additional information available		
10.6. Hazardous decomposition products		
	rdous decomposition products should not be produced.	
SECTION 11: Toxicological informatio		
11.1. Information on toxicological effects		
Acute toxicity (oral)	: Not classified	
Acute toxicity (dermal)	: Not classified	
Acute toxicity (inhalation)	: Not classified	
Hydroquinone (123-31-9)		
LD50 oral rat	320 mg/kg mg/kg	
Skin corrosion/irritation	: Not classified	
Serious eye damage/irritation	: Not classified	
Respiratory or skin sensitization	: Not classified	
Germ cell mutagenicity	: Not classified	
Carcinogenicity	: Not classified	
Hydroquinone (123-31-9)		
IARC group	3 - Not classifiable	
Reproductive toxicity	: Not classified	
STOT-single exposure	: Not classified	
	Net de la 16 d	
STOT-repeated exposure	: Not classified	
Aspiration hazard	: Not classified	
Viscosity, kinematic	: No data available	

SECTI	ON 12: Ecological information	
12.1.	Toxicity	
Ecology	/ - general	: The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment.
12.2.	Persistence and degradability	
No additi	onal information available	
12.3.	Bioaccumulative potential	
No additi	onal information available	
12.4.	Mobility in soil	
No additi	onal information available	
12.5.	Other adverse effects	

No additional information available

SECT	ION 13: Disposal co	nsiderations
13.1.	Disposal methods	
Waste treatment methods		: Dispose of contents/container in accordance with licensed collector's sorting instructions.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

# **SECTION 14: Transport information**

### **Department of Transportation (DOT)**

In accordance with DOT

Not applicable

### **Transportation of Dangerous Goods**

Not applicable

# Transport by sea

Not applicable

# Air transport

Not applicable

# **SECTION 15: Regulatory information**

# 15.1. US Federal regulations

CROSSLINKER A (USE CAT. #01319) LOWICRYL K4M (109-16-0)	
Listed on the United States TSCA (Toxic Substances Control Act) inventory	
Hydroquinone (123-31-9)	
Listed on the United States TSCA (Toxic Substances Control Act) inventory Subject to reporting requirements of United States SARA Section 313 Listed on EPA Hazardous Air Pollutant (HAPS)	
CERCLA RQ	100 lb
RQ (Reportable quantity, section 304 of EPA's List of Lists)	100 lb
SARA Section 302 Threshold Planning Quantity (TPQ)	10000 lb 500lb if the substance is solid in powder form with particle size less than 100 microns, or is in solution or molten form

### 15.2. International regulations

#### CANADA

CROSSLINKER A (USE CAT. #01319) LOWICRYL K4M (109-16-0)	
Listed on the Canadian DSL (Domestic Substances List)	
Hydroquinone (123-31-9)	
Listed on the Canadian DSL (Domestic Substances List)	

**EU-Regulations** 

### National regulations

No additional information available

15.3. US State regulations

Component	State or local regulations
Hydroquinone(123-31-9)	U.S Massachusetts - Right To Know List; U.S New Jersey - Right to Know Hazardous Substance List; U.S Pennsylvania - RTK (Right to Know) List
