

Section 1: Chemical Product and Company Identification

cat# Product Name:
84125 BioMag® Carboxyl magnetic particles
86011 BioMag® Plus Carboxyl magnetic particles
84130 BioMag® Maxi Carboxyl magnetic particles
86010 BioMag® Plus Carboxyl Protein Coupling Kit (particles)

Supplier: Identified uses: Lab use
Polysciences Inc.
400 Valley Rd.
Warrington, PA 18976 USA
SDS Telephone #: 212-343-6484 Emergency only #: 215-378-4526

Section 2: Hazards Identification

Hazard Overview

Low hazard for usual industrial or commercial handling.

GHS Classification

Non- Hazardous

Signal Word: Non-Hazard

Hazard and Precautionary Statements

H000 Low hazard for normal industrial use
P302+P352 IF ON SKIN: Wash with plenty of soap and water.
P305B IF IN EYES: Separate eyelids with fingertips.
P313 Get medical advice/attention
P351 Rinse cautiously with water for several minutes.

NFPA Rating

Hazard Ratings:

These ratings are Polysciences' Inc. own assessments of the properties of the material using the ANSI/NFPA 704 Standard. Additional information can be found by consulting in the NFPA published ratings lists (List 325 and List 49).

If no data is listed, the information is not available.

Health	Flammability	Reactivity
0	0	0

Section 3: Composition/ Information on Ingredients

Note: items listed with a CASRN...number have no CAS# available

Item#	Name	EINECS	CAS #	% in Product
1	Water	231-791-2	007732185	98.0
2	Iron oxide (Fe ₃ O ₄) with proprietary silane		001317619	2.0

Section 4: First Aid Measures

Eyes: In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes.

Skin: In case of contact, immediately wash skin with copious amounts of water for at least 15 minutes.

Ingestion: Contact physician immediately.

Inhalation: Remove to fresh air if effects occur. Consult medical personnel.

Systemic: Human effects not established. No specific antidote. Treatment based on sound judgment of physician and the individual reactions of the patient.

Section 5: Fire Fighting Measures

Extinguishing Media: Not applicable

Special hazards arising from the substance or mixture: Suspended material is not flammable.

Advice for firefighters: Not applicable

Further Information: No data available

Section 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

Any information given below is considered to be in addition to internal guidelines for isolation of spill, containment of spill, removal of

ignition source from immediate area, and collection for disposal of spill by trained, properly protected clean up personnel. Wear vinyl gloves, soak up spill in paper toweling, and rinse area with water. Put all generated waste into an approved container and dispose of as waste. Observe all applicable federal, state, and local disposal laws.

Environmental Precautions: No special measures are indicated.

Methods and materials for containment and cleaning up: No special measures are indicated.

Reference to other sections: For disposal see section 13.

Section 7: Handling and Storage

Respiratory Protection: None normally needed. In cases where there is a likelihood of inhalation exposure to dried particles, wear a NIOSH-approved dust respirator.

Conditions for safe storage, including any incompatibilities

Ventilation: Good room ventilation is adequate for most operations.

Respiratory Protection: None normally needed. In cases where there is a likelihood of inhalation exposure to dried particles, wear a NIOSH-approved dust respirator. Storage: Store at 4°C. Keep refrigerated. Do not freeze. Keep container closed.

Section 8: Exposure Controls / Personal Protection

Control parameters

Respiratory Protection: None normally needed.

Wash / Hygienic Practices: Wash with soap and water when leaving work area and before eating, smoking, and using restroom facilities.

Exposure Controls: None Indicated

The use of eye protection in the form of safety glasses with side shields and the use of skin protection for hands in the form of gloves are considered minimum and non-discretionary in work places and laboratories. Any recommended personal protection equipment or environmental equipment is to be considered as additional to safety glasses and gloves. Chemical-resistant gloves should be worn whenever this material is handled. The glove material has to be impermeable and resistant to the product. Gloves should be removed and replaced immediately if there is any indication of degradation or chemical breakthrough. Rinse and remove gloves immediately after use. Wash hands with soap and water. All glove recommendations presume that the risk of exposure is through splash and not internal immersion of the hands into the product. Since glove permeation data does not exist for this material, no recommendation for the glove material can be given for the product. Permeation data must be obtained from the glove manufacturer to determine if the glove is suitable for the task.

Section 9: Physical and Chemical Properties

Formula:	No data	Formula weight:	No data
Boiling Point:	100°C / 212°F	Melting Point :	No data
Density (particles):	No data	Solubility:	dispersible in water
Vapor Pressure:	No data	Vapor Density:	No data
Specific Gravity:	No data	ph:	No data
Appearance:	brown opaque liquid that may stratify		

Section 10: Stability and Reactivity

Reactivity: No data available

Chemical Stability: Stable under recommended storage conditions

Possibility of hazardous reactions: No data available

Conditions to avoid: Product may irreversibly aggregate if frozen.

Incompatible materials: No dangerous reaction known under conditions of normal use.

Hazardous decomposition products: No dangerous reaction known under conditions of normal use

Section 11: Toxicological Information

Information on toxicological effects: To the best of our knowledge, the chemical, physical, and toxic properties of this product have not been thoroughly investigated.

Section 12: Ecological Information

No Data

Section 13: Disposal Considerations

Waste treatment methods: The following chart lists the status of the chemical and its components in reference to 40 CFR Part 261.33. If the product is listed by code number, the substance may be subject to special federal and state disposal regulations. If no codes are listed, the material must be disposed of in compliance with all Federal, State, and Local Regulations.

CAS #	Waste Code	Regulated Name
007732185	not listed	not listed
001317619	not listed	not listed

Section 14: Transportation Data

Refer to bill of lading or container label for DOT or other transportation hazard classification, if any.

Section 15: Regulatory Information

All components of this product are on the TSCA public inventory.

Prop 65: Column A identifies those items which are known to the State of California to cause cancer. Column B identifies those which are known to the State of California to cause reproductive toxicity.

CAS #	Column A	Column B
007732185	no	no
001317619	no	no

SARA Toxic Release Chemicals (as defined in Section 313 of SARA Title III): This list identifies the toxic chemicals, including their de minimis concentrations for which reporting is required under Section 313 of the Emergency Planning and Community Right-to-Know Act (EPCRA). This list is also referred to as the Toxic Release Inventory (TRI) List.

CAS #	Regulated Name	de minimis conc %	Rep. Thres.
007732185	not listed	not listed	not listed
001317619	not listed	not listed	not listed

SARA Extremely Hazardous Substances and TPQs: This list identifies hazardous substances regulated under Section 302 of SARA Title III with their TPQs (in pounds), as listed in 40 CFR 355, Appendices A and B.

007732185	not listed	not listed	not listed
001317619	not listed	not listed	not listed

Section 16 Other Information

POLYSCIENCES, INC. provides the information contained herein in good faith, but makes no representation as to its comprehensiveness or accuracy. Individuals receiving this information must exercise their independent judgment in determining its appropriateness for a particular purpose.

POLYSCIENCES, INC. makes no representations or warranties, either expressed or implied, of merchantability or fitness for particular purposes with respect to the information set forth herein or to which the information refers. Accordingly, POLYSCIENCES, INC. will not be responsible for damages resulting from the use of or reliance upon this information.
